Sale Committee Report from Linda Fourman: still have 3 buyers that have not paid (less than \$100) yet from 2022 fair. The Fairboard went ahead and paid all the kids. The committee is changing software to Fair Entry (server based, user friendly).

## Old Business:

Mulch 2023 Fair: Suggested to use the same as 2022, most people liked it. Gary Gehret suggested scheduling trucking and Gary is going to contact same company, Homestead Quality. Andy Byram will contact Growing Trucking about hauling again. Mulch & Trucking was all donated last year.

Discussion about entry fees: 2023 weigh in was already done therefore kids were charged same as last year, \$10/head.

Jenny Siegrist motioned: For 2023 fair- all market, breeding, & feeders are \$10/head. For 2024- all market goes up to \$15/head at weigh in and \$10/head at fair for breeding & feeders. \*All fees cover prizes & misc expenses.

Motion was seconded by Luke Winner. Motion passed.

2023 Weigh in recap: 75 head weighed in (numbers are up!) & 39 of which were "Homegrown"
