Place: OSU Extension, Darke County office

Old Business:

We are still waiting on the donation from the Republican Hog Roast.

The mobile library will be on hold until the summer months. Kennedy will take care of this.

We will donate cleaning supplies such as laundry soap, dish soap, 409 spray cleaner, and other things of that nature to the homeless shelter. They are willing to let us tour and do a photo-op when we deliver items.

Members can bring non-perishables to the 4-H Spring Kickoff on March 3rd.

Trash bash will be April 13-14, 2019

The skating party is March 5th. The 4-H committee will pay for everyone's admission into the Skate Place. The skate rental will be \$2.50

Members discussed the possibility of having a painting fundraiser.

We discussed establishing Hands Across the Darke as an official group in 2019. We need to obtain an EIN so we can open a bank account.
