Exhibitors of market animals, lactating dairy, and lactating goats are required to complete a DUNF (Drug Use Notification Form) for each animal. This year the ODA requires that all DUNFs be completed online.

The link to complete your DUNF will open at 12:00am on Sunday, August 14 and will close at midnight on Thursday, August 18. All forms must be completed and submitted during that time frame. To complete your form, go to go.osu.edu/22darkedunf and follow the prompts. All information must be completed before moving to the next page.

Visit this website for details (including a tutorial on how to complete the form online): https://darke.osu.edu/program-areas/4-h-youth-development/animals-and-livestock/darke-county-jr-fair-online-dunf
