We started by calling the meeting to order by Naomi Hathaway.Shortly after that we did the pledge of allegiance (led by Anna Dirksen), and the 4H pledge (led by Carrie Denlinger). For roll call we answered with our favorite Christmas gifts and then did the treasurer’s report with the new treasurer Asa DeMange. After the treasurer’s report we did health and safety report by the new health and safety officer Kaylie Strawser. During the health and safety report we talked about how essential oils can be toxic to dogs and what oils to use on your dog. Then we talked about trash bash which is April 18-19 this year and every road you complete you get $75.00. The money can be used for 4-H projects, dog shots, project books, etc. During our February meeting we should all be cautious and wear are masks unless you have a doctor’s note. We will meet at the Greenville area dog club at 6.30 pm on Monday, February 22. This year’s 4-H enrollments will be done online. Then we talked about rescheduling our group’s Christmas party at the skating rink in March or April.
